OUTLINE OF COVERAGE INDIVIDUAL DISABILITY INCOME INSURANCE Policy Form M-4025OR(12/17)

READ YOUR POLICY CAREFULLY. This Outline of Coverage provides a very brief description of the important features of your Policy. This is not the insurance contract and only the actual Policy provisions will control. The Policy itself sets forth, in detail, the rights and obligations of both you and the Company. It is, therefore, important that you **READ YOUR POLICY CAREFULLY!**

DISABILITY INCOME PROTECTION COVERAGE. Policies of this category are designed to provide, to persons insured, coverage for disabilities resulting from a covered accident or sickness, subject to any limitations set forth in the Policy. Coverage is not provided for basic hospital, basic medical surgical, or major medical expenses.

BENEFIT PROVISIONS

Payment Of Benefits. Payment of benefits under this Policy is subject to the following:

1. the Insured’s coverage must be in force under this Policy on the date Disability began;
2. Disability must have begun while the Insured meets the definition of Actively at Work;
3. the Insured must provide the Company with proof of Disability as often as the Company requires it;
4. benefits will be paid only up to the Maximum Benefit Period for each period of Disability;
5. the Insured must be under the care of a Physician, unless the Physician certifies that the Insured does not need the regular care of a Physician for such disabling condition; and
6. for work-related Injury or Sickness, the Insured must provide proof that the Insured has applied for benefits under any applicable Workers’ Compensation Law, Occupational Disease Law, the 4800 Time Benefit Plan or similar legislature.

The Company will pay only one Disability benefit for Concurrent Disabilities due to Injury, Sickness, and/or Nervous or Mental Disorder.

“Concurrent Disabilities” means Disabilities that result from more than one cause at the same time.

Total Disability Benefit for Injury or Sickness. If Total Disability due to Injury or Sickness begins before the Insured reaches Age 70, the Company agrees to pay the Monthly Benefit Amount up to the Maximum Benefit Period as shown in the Schedule of Benefits. Benefits will begin after satisfaction of the Elimination Period.

The Company will pay the Monthly Benefit Amount for each full month the Insured remains Totally Disabled due to Injury or Sickness after the Elimination Period, until the Maximum Benefit Period ends. If the Insured recovers after part of a month, the Company will pay for the part of the month at a daily rate equal to 1/30 of the Monthly Benefit Amount.

The amount of benefit payable by this Policy will be to a maximum of 60% of the Insured's Monthly Earned Income on the date the Insured becomes Totally Disabled due to Injury or Sickness, not to exceed the Maximum Monthly Benefit Amount shown in the Schedule of Benefits.

If the Maximum Monthly Benefit Amount exceeds the underwriting requirements for the amount of the Insured's Monthly Earned Income, as shown in the Schedule of Benefits, at the time Total Disability commences or the average of the Insured's Monthly Earned Income for the period of two years immediately preceding the Total Disability, whichever is greater, the Insured's Maximum Monthly Benefit Amount will be adjusted to a new amount which does not exceed 60% of the Insured's new Monthly Earned Income, or the two-year average of the Insured's Monthly Earned Income, whichever is greater. The premiums will be adjusted to reflect the new Maximum Monthly Benefit Amount. If the adjustment results in a lower premium, all excess premiums will be returned to the Insured on a pro rata basis for a period of two years prior to the recalculation. However, the Maximum Monthly Benefit Amount will not be reduced below \$200.00.

It is the Insured's responsibility to notify the Company in writing upon a change in the Insured's employment or Monthly Earned Income.

Presumptive Disability. If the Insured suffers total and irreversible loss of speech and hearing, sight in both eyes, both feet (actual severance at or above the ankle joints), both hands (actual severance at or above the wrist joints) or one hand and one foot (actual severance at or above the wrist or ankle joints) before the Insured reaches Age 70, the Company agrees to pay the Monthly Benefit Amount for Total Disability due to Sickness or Total Disability due to Injury up to the Maximum Benefit Period as shown in the Schedule of Benefits whether or not the Insured is able to perform the material and substantial duties of the Insured's own occupation. The Elimination Period does not apply to a Presumptive Disability.

Total Disability Benefit for Nervous or Mental Disorders. The Company agrees to pay the Insured 50% of the Monthly Benefit Amount to a Maximum Benefit Period of six months for a Total Disability due to Nervous or Mental Disorders. Benefits will begin after satisfaction of the Elimination Period as shown in the Schedule of Benefits. Payments will not be made at the same time for both Total Disability due to Injury or Sickness and Nervous or Mental Disorders.

Partial Disability Benefit for Injury or Sickness. If Partial Disability due to Injury or Sickness begins before the Insured reaches Age 70, the Company agrees to pay the Monthly Benefit Amount for Partial Disability up to the Maximum Benefit Period for Partial Disability as shown in the Schedule of Benefits. The Partial Disability Monthly Benefit Amount is equal to 50% of the Total Disability Monthly Benefit Amount stated in the Schedule of Benefits. Benefits will begin after satisfaction of the Elimination Period, or immediately following a period of Total Disability for which benefits have been paid.

The Partial Disability benefit will not be payable for any period for which any Total Disability benefits are payable.
